The Super Supremes

They're sexy, they're sophisticated, they're sensational. They're **The Super Supremes!**

These three sultry sirens of soul offer up a motown tribute not to be missed. Roxie Chevrolet – self proclaimed “lead girl” and her younger sister Coco – have hired a new girl for the group. But what Roxie doesn't realize, is that this backup girl has no intention of “backing up” or backing off. Watch the sequins and feathers fly, to a superbly recorded sound track of the great soul and motown hits from the 60s and 70s.

From the Supremes' *Stop in the Name of Love* and *You Can't Hurry Love*, to Aretha's *Think* and *Respect* – it's a *Chain Reaction* of hit after hit, culminating in a diva showdown that would make Diana Ross proud!

DESTINATION DISCO

Meet the “Foxy Mamas” – Beyonce, Fiance, and Séance (she sees dead people!)

Featuring stunning vocals, funky moves and 70s grooves – **Destination Disco** is a high voltage performance that bridges the gap between floor show and dance floor – to bring you a true “dance floor show.” With maximum bump and grind – these three delectable disco divas boogie their way through dance floor hits and hissy fits in this ultimate disco “clubaret.”

With the help of Séance, the Foxy Mamas channel all the dance floor favourites. Packed with classic hits such as *Lady Marmalade*, *It's Raining Men*, *Hot Stuff*, *We are Family*, *Car Wash*, right through to Destiny's Child's *Independent Woman*, *Bootylicious* and many more – this show is guaranteed to get your audience laughing *and* dancing.

DOLLY PARTON'S COUNTRY SPECTACULAR

Fresh from a sell out season at her own theme park “Dollywood” – Nashville's first lady of country hosts an evening of “Dolly and Friends.”

This hilarious musical comedy performance delivers toe tappin', thigh slappin' fun as three of the biggest names in country music today – Dolly Parton, Shania Twain and Australia's own Kasey Chambers – battle it out for the title “Queen of Country.” Determined not to be upstaged by the “new faces” of country music, the up-front Dolly manages to line dance and boot scoot her way into every solo performance. Shania may “not be impressed” and Kasey may “not be pretty enough,” but they soon join forces to teach the “old face” of country music a lesson.

Featuring the biggest hits from all three stars: *Nine to Five*, *Am I Not Pretty Enough*, *Man I Feel like a Woman*, and more – **Dolly's Country Spectacular** is a sensational musical tribute served up with lashings of laughs, and good ole southern hospitality!

Heavenly Creature *An Audience With Marilyn Monroe*

Heavenly Creature – An Audience With Marilyn Monroe is available for your next event as an intimate cabaret spot, or as MC for your event. It is a performance resplendent with hilarious repartee, magnificent costuming and sensational musical numbers (in addition to the classics, discover which disco hit Marilyn would have released if she'd been alive in the 70s!)

Perfect for a Hollywood theme event or an Oscars style awards night, **Heavenly Creature** can even provide a surprise rendition of "Happy Birthday Mr President" for your CEO or company, with tailoring a speciality.

Guest appearances by other "heavenly" icons can also be arranged.

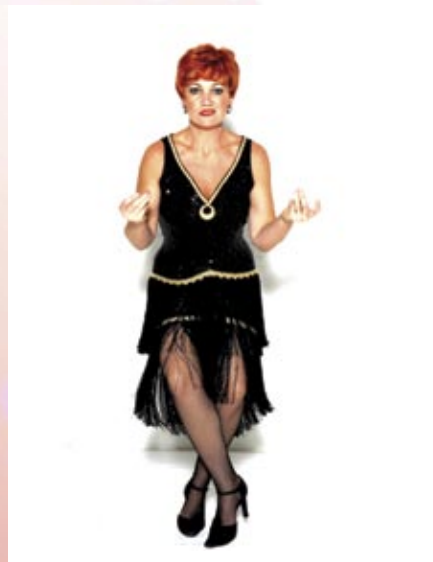

STRICTLY PAULINE

"The name on everybody's lips is gonna be... Pauline"

From Australia's most persecuted politician to Australia's second most popular amateur dancing star – she's done it all... with no education, no training and no idea! From her controversial maiden speech, to "Dancing with the Stars" – Pauline has reinvented herself more times than Madonna. Now, off the back of her triumphant reality TV debut, Pauline believes that once again she has something of value to share with "Mainstream Australia".

Pauline will share with your audience her many experiences from the school of hard knocks, including her stories from the "inside" – whilst channeling Chicago's Roxie Hart. She's also launched her own fashion label, "Please Explain." Prepare for a sneak preview of her latest collection.

Strictly Pauline is a hilarious satirical portrayal of one of Australia's most "colourful" characters, and is available as a hoax speaker, comedy spot or MC.
